- 8:35 am – Update on U.S. Department of Energy (DOE) Environmental Management Plans, Programming and Budgeting:
 - William M. Levitan (Director, Office of Compliance, DOE Office of Environmental Management)

- 9:00 am – Adjournment

Note— After this session, FFF members are encouraged to gather in the Callippe Room (Bldg #623, Main level) at 9:30am for an informal meeting with William Levitan (Dept. of Energy) to discuss cleanup of the nuclear weapons complex and related issues (closed to press). This meeting will also involve discussion of upcoming FFF projects and work plans as well as future opportunities for meetings and site tours. Members are encouraged to grab refreshments and join this meeting if they are interested in these topics (note— this meeting conflicts with the Second Concurrent Sessions).
