Legend

Soaking in pools, such as Huckleberry Hot Springs, where thermal waters originate is prohibited to protect resources. Soaking in adjacent run-off streams is allowed, provided they do not contain an originating water source.

Hiking Guidelines

BEAR AWARE! Avoid surprising bears by making noise—call out and clap your hands at regular intervals. Do not leave food or backpacks unattended at any time. Carry bear spray and know how to use it. Guard against accidental discharge.

Respect wildlife. Do not approach or feed animals. Observe and photograph from a safe distance. Stay at least 100 feet from wolves and coyotes, and 25 feet from other wildlife. Avoid parking on natural vegetation. Do not feed food or backpacks unattended at any time. Carry bear spray and know how to use it. Guard against accidental discharge.

Many unofficial trails exist in this area. Follow this map closely and watch for trail signs.

During July and August, parking areas may fill early in the day. Begin early and plan accordingly.
