9:00 – 10:00 a.m.	<p>Building Confidence in Communities: Rising to the PFAS Challenge <i>The pervasiveness of per- and polyfluoroalkyl substances (PFAS) in the environment has emerged as a top challenge for state and federal environmental agencies. This panel of senior leaders from Massachusetts, New Jersey, U.S. EPA, and U.S. DOD will highlight recent strides in regulating these contaminants.</i></p> <ul style="list-style-type: none"> ❖ Marty Suuberg, ECOS Water Committee Chair and Commissioner, Massachusetts Department of Environmental Protection (moderator) ❖ Catherine McCabe, Commissioner, New Jersey Department of Environmental Protection ❖ Jennifer McLain, Acting Director, U.S. EPA Office of Groundwater and Drinking Water ❖ Maureen Sullivan, Deputy Assistant Secretary of Defense for Environment, U.S. Department of Defense 	Salon 4-7
10:00 – 11:00 a.m.	<p>Building Confidence in Communities: Stemming the Nutrient Tide</p>	Salon 4-7

	<p><i>In spite of progress under the Clean Water Act and other programs, nutrient runoff remains one of America’s most widespread, costly, and complex challenges. Join state officials for a look at the latest strategies to manage nutrients and prevent harm to coastal and inland communities, ecosystems, and industries like agriculture, tourism, and fishing.</i></p> <ul style="list-style-type: none"> ❖ Ben Grumbles, ECOS Air Committee Chair and Secretary, Maryland Department of the Environment (moderator) ❖ Noah Valenstein, Secretary, Florida Department of Environmental Protection ❖ Ed Tormey, Acting Administrator, Iowa Department of Natural Resources 	
11:00 – 11:30 a.m.	Break with Refreshments	Foyer
11:30 a.m. – 12:30 p.m.	<p>Workshop Option 1: Budget 101</p> <p><i>Join state and U.S. EPA officials for this practical overview of the most pivotal budget-related issues facing state environmental commissioners. Topics covered will include Performance Partnership Grants and Agreements, State Revolving Funds and other infrastructure funding, and the federal appropriations and EPA grants process.</i></p> <ul style="list-style-type: none"> ❖ Myra Reece, ECOS Planning Committee Chair and Director, South Carolina Department of Health & Environmental Control (moderator) ❖ Valerie Thomson, ECOS State Grants Subgroup Tri-Chair and Director of Administration & Non-Regulatory Programs, Virginia Department of Environmental Quality ❖ Carol Terris, Acting Associate Chief Financial Officer, U.S. EPA ❖ Dierdre Finn, Executive Director, Council of Infrastructure Financing Authorities 	Salon 4-7
11:30 a.m. – 12:30 p.m.	<p>Workshop Option 2: Improv 101</p> <p><i>In this interactive session, ECOS Secretary-Treasurer Patrick McDonnell, Secretary of the Pennsylvania Department of Environmental Protection, will lead exercises to promote active listening.</i></p>	Studio D
12:35 – 1:55 p.m.	<p>Advancing Collaboration with Congress: Lunch with U.S. Senate Environment & Public Works Ranking Member Tom Carper (D-DE), introduced by ECOS President Becky Keogh, Director, Arkansas Department of Environmental Quality</p>	Salon 1-3
2:00 – 3:00 p.m.	<p>Hot Topics Session: Integrating Environmental & Energy Agencies & Overcoming New Barriers to Recycling</p>	Salon 4-7

	<p><i>As the work of environmental protection evolves, state agencies must find innovative ways to adapt. For example, the increasing nexus of environmental and energy issues has prompted some state environment and energy agencies to integrate or to collaborate more closely. Meanwhile, new Chinese restrictions on the import of recyclable feedstocks often collected through municipal programs are driving cities and states to reevaluate their plastic recycling strategies. This interactive session will explore how states are adapting to shifting landscapes, allowing significant time for audience participation.</i></p> <ul style="list-style-type: none"> ❖ Liesl Eichler Clark, Director, Michigan Department of Environment, Great Lakes, and Energy (moderator) ❖ Barry Breen, Acting Assistant Administrator, U.S. EPA Office of Land and Emergency Management ❖ Heidi Sanborn, Executive Director, National Stewardship Action Council 	
3:00 – 3:15 p.m.	Break with Refreshments	Foyer
3:15 – 4:30 p.m.	<p>Building Confidence in Communities: Strategies for a Clean & Renewable Energy Future</p> <p><i>Across the nation, there is growing momentum among states, cities, corporations, and other stakeholders toward setting GHG reduction goals and procuring more energy from clean and renewable sources. Economics, customer expectations, and government policies are contributing to a long-term shift in both the electric power and mobile source sectors. Join us to discuss how can work together as we embark on this new energy future.</i></p> <ul style="list-style-type: none"> ❖ Ben Grumbles, ECOS Air Committee Chair and Secretary, Maryland Department of Environment (moderator) ❖ Alan Matheson, ECOS Air Committee Vice Chair and Director, Utah Department of Environmental Quality ❖ Allen Schaeffer, Executive Director, Diesel Technology Forum ❖ Katharine Bond, Senior Director of External Affairs & Public Policy, Dominion Energy 	Salon 4-7
5:00 – 8:30 p.m.	<p>Advancing Cross-Border Collaboration: Dinner Reception with Remarks by a Canadian Embassy Official, Energy & Environment, Embassy of Canada</p> <p><i>Please bring a photo id and wear your nametag. Buses depart from outside the front lobby of the hotel promptly</i></p>	Embassy of Canada 501 Pennsylvania Avenue, NW Washington, DC

	<i>at 5 p.m. Attendees returning to the hotel will depart the embassy by 8 p.m.</i>	
--	---	--

Wednesday, April 10
