# GHG/Climate-focused programs in Oregon

## Materials Management

Textiles  
Reuse and repair grants  
Food waste prevention  
Built environment

## Transportation

EV rebates  
Clean fuels market  
Cap and invest  
Zero-emission vehicle regulations

## Electricity

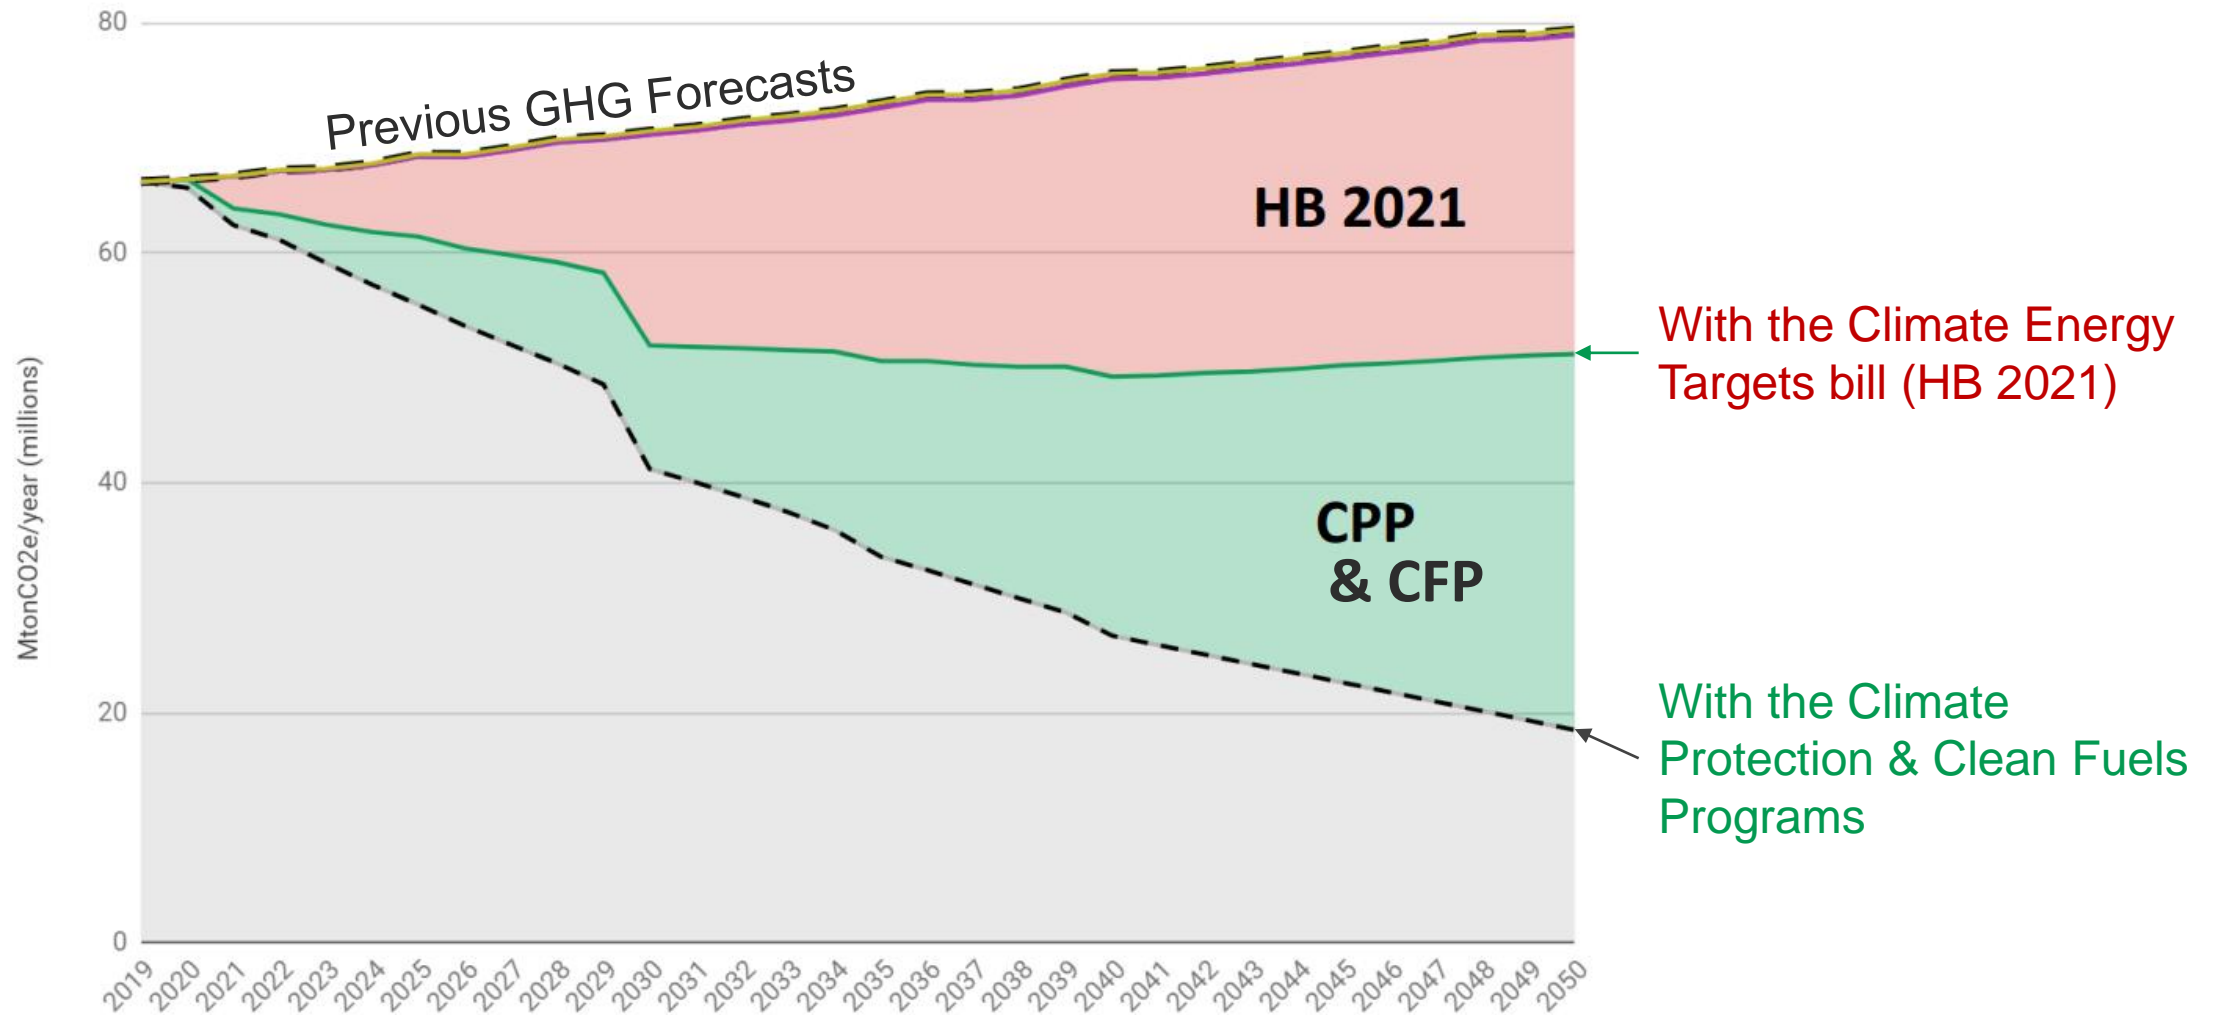

Energy efficiency  
Community solar  
Clean energy targets  
Renewable portfolio standard

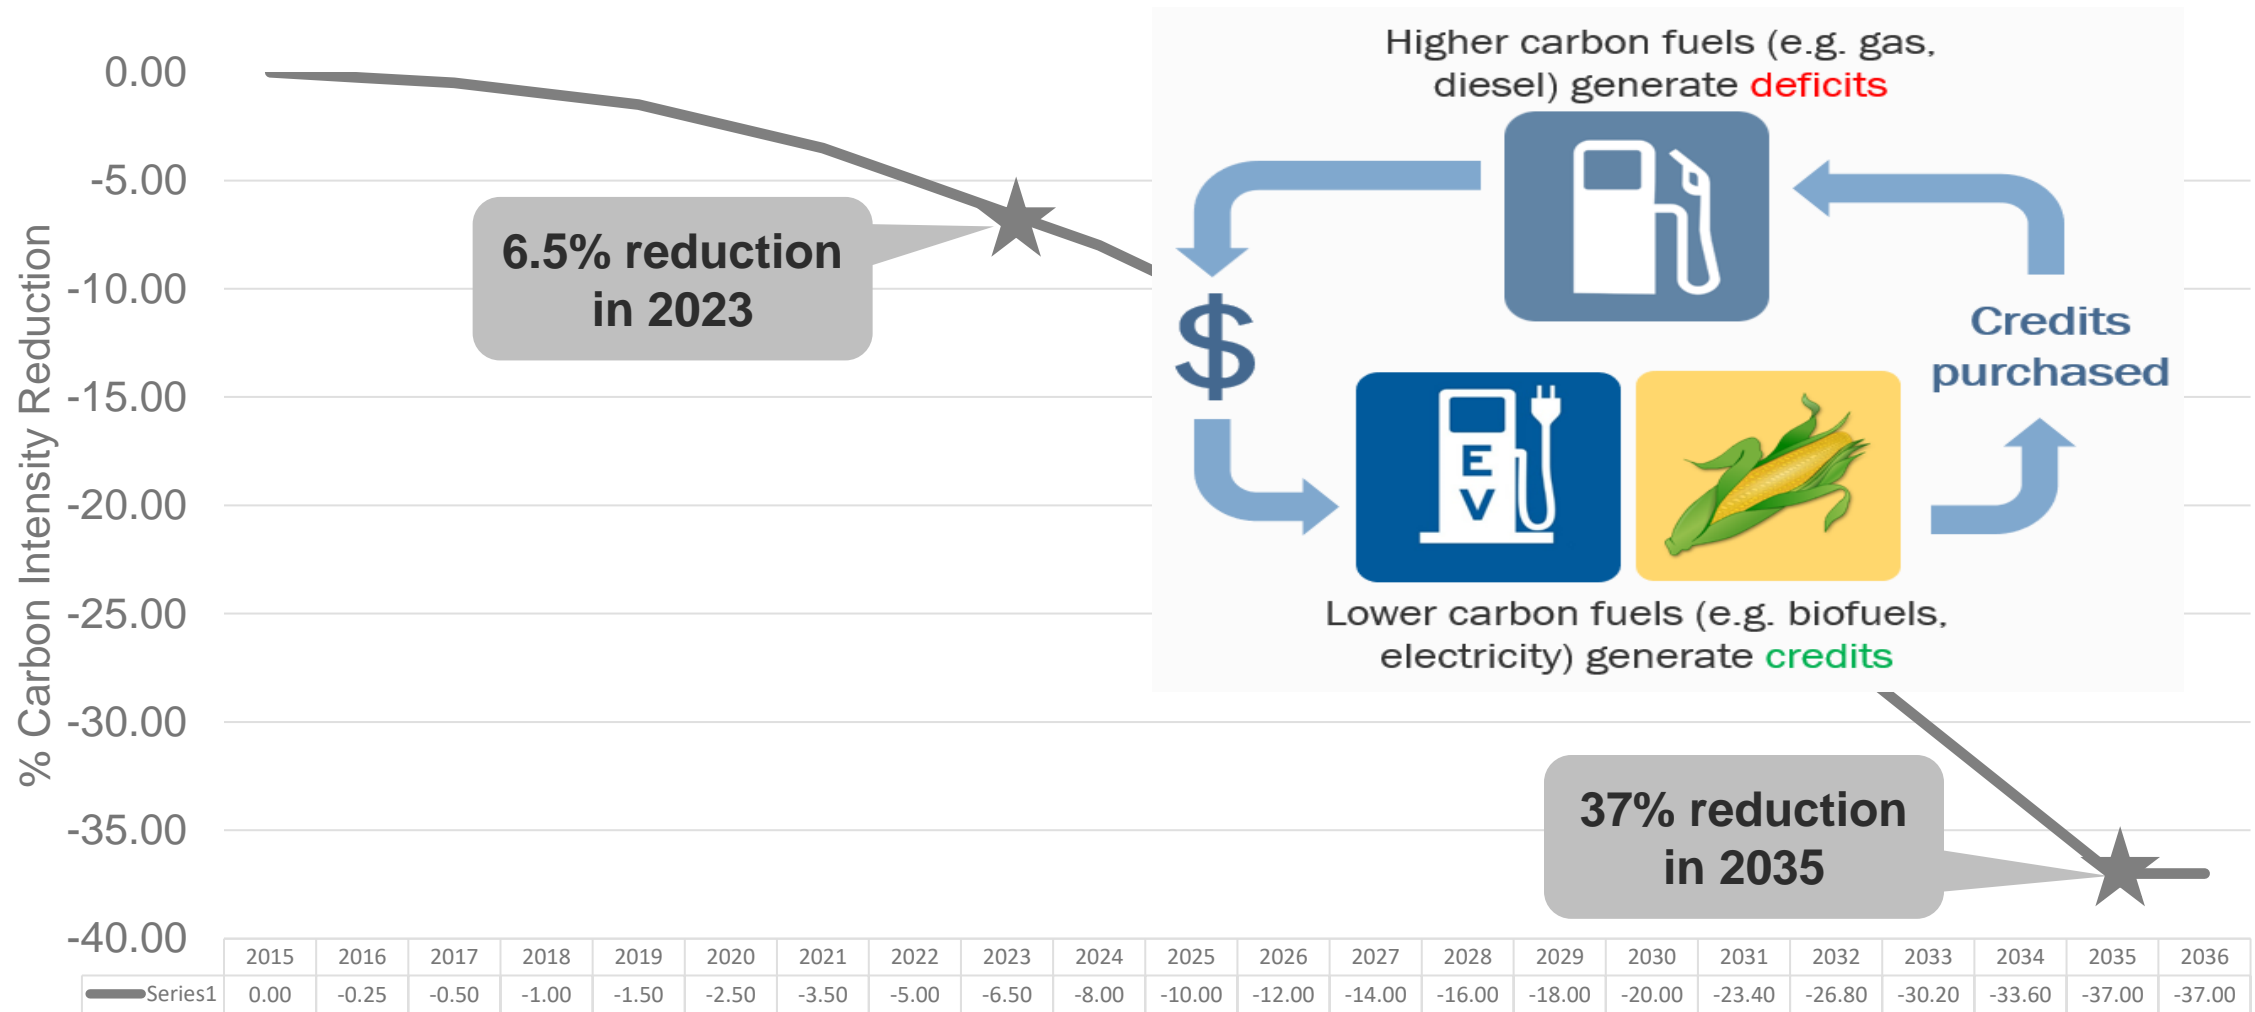

## Product stewardship

Paint  
Electronics  
Medication  
Mattress  
Beverage containers  
Packaging & paper
